WE ARE HIRING

SUMMER INTERNS

Are you a current or rising junior, senior or grad student interested in working in LSU AgCenter Cooperative Extension? Spend your summer learning how to plan and conduct extension programs by working alongside our educators at a parish Extension office.

APPLY STARTING SEPTEMBER 15

INTERNSHIP OVERVIEW:

- Up to thirty (30) positions available throughout Louisiana
- Students enrolled in Agriculture & Natural Resources, Family and Consumer Sciences, Extension Education, or a related field are encouraged to apply
- Interns earn $15/hour for 10-12 weeks
- Interns must submit an application and will go through an interview process
- Interns will complete a project, report and video highlighting their experience
- Interns may work with their advisor for college credit for the internship
