DATE	Educational Program
Class Registration (deadline: 3/1/13)	**Contact:** Community Education 985-785-7268 www.stcharles.k12.la.us
March 19 	**Spring Lawn Care & Maintenance** – Learn the basics for conducting proper fertilization, watering, mowing and weed control to provide a quality, healthy lawn. Get your lawn off to the right start this spring and learn about the methods that can keep your lawn looking beautiful all season long. Instructor: Rene' Schmit, County Agent, LSU AgCenter Educational Supply Fee: $5.00 at class time
March 26 	**Successful Gardening with Containers & Raised Beds** – Interested in learning to grow flowers or delicious vegetables without having to break up the ground with a tiller? Whether your interest is to grow ornamentals or vegetables, container gardening can provide the opportunity to achieve quality with less space. Come learn why more and more gardeners are utilizing container gardening for their plant growing needs. Instructor: Rene' Schmit, County Agent, LSU AgCenter Educational Supply Fee: $5.00 at class time
	Both gardening classes will be held at the LSU AgCenter Extension County Agent's office, 1313 Paul Maillard Road, Suite E, Luling, LA from 6:00 p.m. to 8:00 p.m.
