

DIY BBQ APRON

WITH POCKET

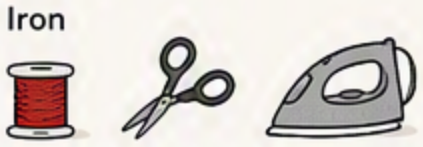

A simple apron to keep you clean while you grill!

MATERIALS

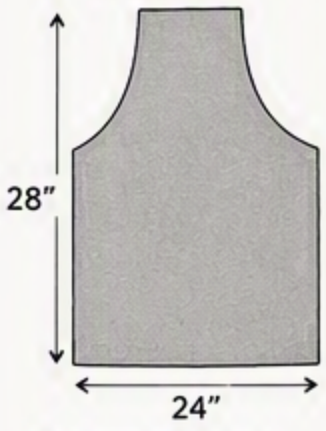

- 1/2 yard main fabric (cotton canvas, denim, or duck cloth work great!)
- 1/4 yard pocket fabric
- 2–2 1/2 yards apron ties (1 for neck, 2 for waist)
- Matching thread
- Scissors or rotary cutter
- Pins or clips
- Sewing machine
- Iron

DIRECTIONS

1 CUT FABRIC

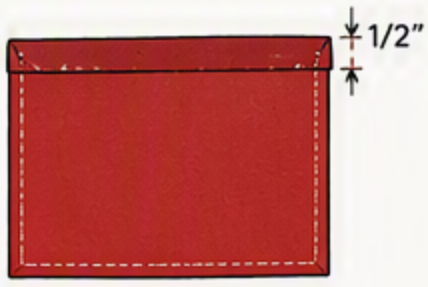

Cut the main fabric as shown.

Cut pocket fabric:
Cut 1 rectangle
10" wide x 7" tall

2 MAKE THE POCKET

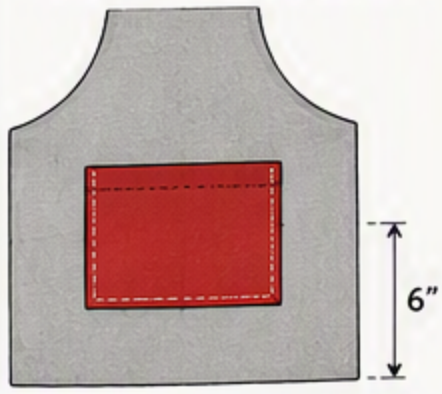

Fold the top edge of the pocket down 1/2" and press. Fold again 1/2" and press. Topstitch.

Fold in the side and bottom edges 1/2" and press. Topstitch all around.

3 ATTACH POCKET

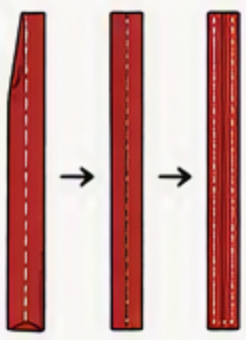

Pin the pocket to the front of the apron, centered and about 6" up from the bottom edge.
Sew around the sides and bottom of the pocket.

4 PREPARE THE TIES

For a clean finish, fold each tie in half lengthwise, press.

Open and fold raw edges to the center. Fold in half again and topstitch close to both long edges.

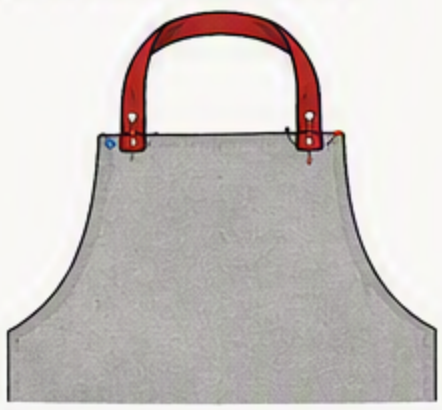

Cut ties to length:

- Neck tie: 24"
- Waist ties: 36" each (Adjust as needed)

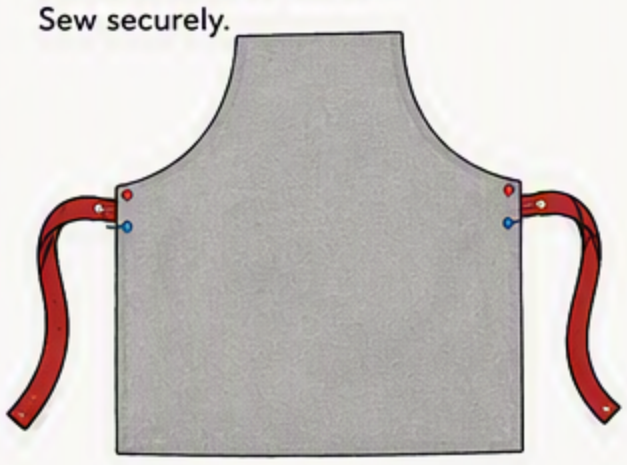

5 ATTACH NECK TIE

Place the neck tie at the top corners of the apron.
Pin in place. Sew securely.

6 ATTACH WAIST TIES

Place waist ties at the sides, centered. Pin in place.
Sew securely.

YOU'RE DONE!

Fire up the grill and enjoy your new BBQ apron!

TIPS

- ★ Use heavy cotton fabrics for durability.
- ★ Topstitching not only looks great, it adds strength!
- ★ Wash and iron your fabric before cutting for best results.

GRILL. EAT. REPEAT.
